

Granite Dishcloth

Created By: Luvs2knit

We were in the middle of a move and I needed an easy project to work on. I found a stitch pattern I liked and started knitting.

The blue cloth was knit using a seed stitch border. The pattern includes instructions for the garter stitch border but it's easy to substitute the garter stitch border with your favorite one. The first 4 rows and the last 4 rows are border rows and the first 4 stitches and the last 4 stitches in the pattern rows are border stitches.

Materials:

1 – 2 oz skein of worsted weight cotton yarn. I used Peaches and Crème for both clothes in the picture.

Needles: size US 7/4.5mm or whatever size you normally use for knitting a dishcloth. You want a firm fabric but don't knit it so tight it can stand on its own.

Gauge: Not really all that important....it's a dishcloth!

Knitting Abbreviations:

Sts = stitches

K = Knit

K2tog = Knit 2 stitches together

Kfb = Knit into the front of the stitch, leave stitch on left needle, knit into the back loop of the same stitch, slip stitch off of left needle
